1) When the Bill to amend the Mysore Land Acquisition Regulation was being discussed in the Select Committee of the Legis. Council on the 19th Feb. 1916 Note No. 122/Edn. 27-14-5 dated 8-7-9/14 was referred to and it was observed that the form was defective in that it did not mention where the plan showing the property to be acquired could be inspected by those who desired to do so. This is very essential under sec: 6 of the Mysore Land Acquisition Regn., 1893, under the provisions of which the notice purports to have been issued

It was therefore ordered by the 1st member that a circular should be sent to all the Branches of the G.R.S. and to all the State Secretariats that in future notifications issued under sec: 6 of the Land Acquisition Regn, 1894 a paragraph should always be inserted mentioning the place where the plans of the property proposed to be acquired can be inspected by the public.
